Not just a winery - Chapel Hill is the embodiment of the wine and food experience delivered using the best of environmental practices by people who are passionate about our product and our region. The cellar door at Chapel Hill is set within an historic 19th century stone church from which the winery takes its name. Situated at the top of one of McLaren Vale's majestic hills, views from the cellar door are magnificent. Take the time to enjoy the surrounding views of the rolling hills dotted with vineyards and the ocean.
