The perfect peninsula picnic

Discover a whole new world

Perfect for a day trip from Adelaide yet even better for a short holiday, this scenic region offers something for every lover of good food and wine. Explore the Peninsula at your leisure. The perfect location is... everywhere!

You can spread your picnic blanket on the manicured lawns of a fragrant rose garden, under the gnarled bows of an historic olive grove, or on the sandy foreshore at any number of picturesque coastal towns. If you prefer to get away by yourself, you can find plenty of secluded spots in any one of the region's substantial areas of natural bushland.

You can't go past the breathtaking scenery of Deep Creek Conservation Park, Hindmarsh Falls, or the Onkaparinga River National Park. Granite Island, with its penguins and horse-drawn trams, is a perennial favourite with families, or for the more active, a bushwalk among the dense pines of Kuitpo Forest is guaranteed to sharpen the appetite.

Wine

South Australia holds an eminent position in Australia's wine industry, with many of its wines sought after internationally.

Here in the Fleurieu Peninsula, we are home to some of the state's most famous wine regions, with the icon being

McLaren Vale. Now, also achieving recognition is Langhorne Creek's range of wine, as well as a number of unique wines from Currency Creek and Southern Fleurieu districts.

The Sacred Olive Oil

Olives have a long history in the Fleurieu. The local soils and temperate climate closely resemble those of their native Mediterranean environment. Early settlers to the region recognised this fact and planted the first olive groves – of which an impressive example can still be seen in McLaren Vale. The Fleurieu Peninsula is an olive grower's paradise...

Willunga Farmers Market every Saturday

Visit Willunga Farmers Market and shop with the locals.

Stock your picnic basket with produce that is fresh, the best and served to you direct from the growers and makers of the Fleurieu Peninsula.

Every Saturday 8.30am to 12.30pm, next to the Alma Hotel, Willunga, rain or shine.
